## EDUCATION

### AIA / NCQLP / IDCEC

#### Metalumen is proud to announce...

We are now an accredited provider for the American Institute of Architects (AIA), Interior Design Continuing Education Council (IDCEC) and National Council on Qualifications for the Lighting Professions (NCQLP) for continuing education. All our lighting focused seminars demonstrate best practices in lighting application, strategies in energy conservation, and human centric drivers for wellbeing per application and maintenance factors. Each seminar is 1 to 2 hour in length and qualifies for 0.2 to 2.0 CEU, LEU and LU credits.
