

SPECIAL ANNOUNCEMENT

We are very happy to announce that Metalumen is now ISO 9001:2008 certified

That is right - we have been awarded our ISO 9001:2008 certificate. This is exciting news for our organization and business partners as we work our processes throughout the organization to maintain top quality manufacturing and even faster response and lead times. As this is a great accomplishment for us, we are looking forward to transferring this into EOD (Ease of Doing Business) to our partners and customers.

HOLIDAY HOURS

Metalumen will be closed **December 28 to January 1** for the holidays.

Business will resume **Monday, January 4** 8am EST.
