

## Horizon II LED

### Architectural Commercial Lighting just got 123 LPW better with Horizon II LED series

Metalumen is pleased to announce the launch of the new and improved direct/indirect LED and fluorescent pendants, Horizon II O5K & O5B series. These revolutionary new products merge affordability and performance. Designed to complement almost any decor with clean lines and a slim profile, these fixtures will look at home in a high-end office environment or will modernize a utilitarian school. With up to 123 LPW luminaire in T8, T5 and T5HO equivalent, there is no reason you cannot meet and exceed outstanding energy conservation savings for your application.

### Standard Features

- LED option features direct/indirect distribution, using our new and efficacious LED array and MetalLED mid flux LED technology optical system in conjunction with Metalce acrylic diffuser for smooth distribution; this creates a continuum of uniform light.
- Four LED light levels per model – from 3079 to 11304 lumens
- Up to 123 LPW
- 4', 8', 12' sections or continuous runs
- +65% savings including maintenance
- Three CCT - 3000K, 3500K & 4000K
- Standard 0-10V dimming driver.
- Optional Integral Daylight and occupancy sensor
- 83+ CRI in LED
- T8, T5, T5HO, or LED available.
- Perforated or solid cross blade baffle
- 120-277V or 347V
- LM79 & LM80 compliant
- L85 @ 60,000h by TM21
- 5 year Limited warranty
- DLC pending qualifications

Up to 50%  
Energy Savings  
ONLY

4' Horizon II Suspended and surface LED light Level Outputs							
Light Level	Wattage	Lumens Delivered		Efficacy (LPW)		Fluorescent Equivalent	Energy Savings*
		O5K	O5B	O5K	O5B		
L1	27	3079	3230	113	118	2T8/T5	48%
L2	35	3924	4119	113	118	2T8/T5HO	36%
L3	48	5621	5898	118	123	3T8/2T5/T5HO	50%
L4	96	10775	11304	113	118	3T5HO	46%

\* Energy Savings based upon stabrad lamp/ballast combination using an equivalent O5K & O5B series with Opal inlay

### Marketing Collateral

For your convenience our website has been updated with new marketing material including a brochure, specification sheet and photometric files.
